

CHRISTIE CHAMBERLAIN

ASSET MANAGER

PROFILE

Christie is an Asset Manager at the firm with the responsibility of creating value for our principal investments. Currently, Christie oversees the daily operations of the firm's largest government services contract including customer relations, facility management, staff oversight, and all financial and administrative aspects of the contract. Prior to joining FD Stonewater, Christie was a General Manager at JLL responsible for a commercial portfolio of over 700,000 square feet.

PREVIOUS EXPERIENCE

GENERAL MANAGER, JONES LANG LASALLE

McLean, VA 2014 – 2016

As General Manager, Christie oversaw the engineering and property management teams for over 700,000 square feet of commercial office buildings, Flex, and the Capitals Iceplex. She collaborated with and reported directly to owners to maximize value including acting as project manager for tenant build-outs, capital improvements, implementing policy for RFP and bid review process, handling all financial reporting packages, rent collections, reconciliations, mortgage and escrow payments, and funding disbursements from lenders. Additionally, Christie assisted with lease review and leasing tours.

ASSISTANT GENERAL MANAGER, JONES LANG LASALLE

McLean, VA 2009 – 2014

In the 5 years before her promotion to General Manager, Christie rose through the ranks in Property Management at JLL moving from Property Administrator to Assistant Property Manager to Assistant General Manager. Christie was involved in all facets of property management including budgets, reconciliations, LEED certification, jurisdictional filings, tenant relations, monthly financial reports, software upgrades, Accounts payable, building maintenance, and the Yardi, MRI and JDE systems.

CUSTOMER SERVICE SUPERVISOR, MARKETRESEARCH.COM

Rockville, MD 2007 – 2009

Christie interacted with over 50 clients each day and achieved 140% of her sales goal in her first year.
